1. A certified copy of the student's birth certificate

Realizing that CCA may not be the ideal match for every student, acceptance decisions are approached with prayerful consideration. In general, each level of the Academy builds on all others. Therefore, admission at the various levels also builds on others:

- Preschool – First come, first served
- Grades K-5 – Application
- Grades 6-8 – Application & Ability
- Grades 9-12 – Application, Ability, Achievement & expressed desire to attend

The school reserves the right to retract an offer of admission to a student previously accepted if the final transcript reveals performance or behavior that is unacceptable to CCA's standard for admission or if any information on the original application is found to be false.

STUDENT ASSISTANCE

A limited amount of student assistance is available to families with need. The student assistance application is available on the school's website. Nearly 40% of CCA students receive some form of assistance.

NON-DISCRIMINATORY STATEMENT

Cornerstone Christian Academy admits students of any race, color, national and ethnic origin, and of either biological sex to all the rights, privileges, programs, and activities generally accorded or made available to students of the school. In addition, the school does not discriminate on the basis of race, color, or ethnic origin in administration of its educational policies and athletic/extracurricular activities. The Academy does, however, reserve the right to deny the admission or discontinue the enrollment of any individual whose pattern of conduct and/or personal lifestyle is not in harmony with the Statement of Faith, mission, philosophy, purpose, and policies of Cornerstone Christian Academy.
