

## STATE OF ILLINOIS STUDENT HEALTH RECORD REQUIREMENTS

Illinois law (105 ILCS 5/27-8.1 and 77 Illinois Administrative Code Part 665) requires students to submit the following health records **prior to attending** any public or private Illinois school at the grade levels listed below. Records must be current (dated within one year of the first day of school) and submitted on standard State of Illinois forms (available from your healthcare provider) **prior to the first day of school**.
