

Let's Pray!

January & February 2021

Praise God for Answered Prayer!

- God is at work in every classroom as our teachers instruct students in the grace and truth of Jesus.
- God has allowed us to complete 75 days of in-person instruction.
- God is continuing to provide for our daily needs through donors.

Ask God to:

- work powerfully during our spiritual emphasis week in February (Spirit Week).
- give wisdom to our board and administration for His vision for Cornerstone.
- bring many new families to Cornerstone next year.
- provide all that is needed for current families to attend Cornerstone next year.
- provide safety on the winter roads for our CCA staff and families during these winter months.

Keep Praying for:

- the salvation and spiritual growth of each student.
- the elimination of the remaining balance on the current building's loan.
- the provision of a cement slab & basketball standards for our playground.
- wisdom for our leaders as they set vision and make plans for next school year.

Please submit any prayer requests or answered prayers to Jessica Wolfe.
